## KANSAS KOLLOSAL KAN KAPER

June 24, 25 and 26

A lot of excitement is building up for the 2022 edition of the Kansas Kollosal Kan Kaper in Salina. After a successful show earlier this Spring in Hays, we head down the Interstate a little ways East of Hays to further our beer related collecting interests.

As we reported in the last newsletter, we have a different hotel lined up to be the host hotel for this popular show. The Candlewood Suites, by all descriptions of those who have checked it out, sounds like an ideal set up for this show. It's a little farther from the park where we have the show on Saturday than the previous hotel but not much further. It is about a 10-to-15-minute drive, depending on the route you take.

The show format will be the same as it has been for the last few decades. The show event gets underway Friday afternoon at the hotel where collectors start gathering in the side yard for some socializing, storytelling and beer consumption. That evening we will have plenty of beer, soda, water and light snacks

Saturday, we all head to Thomas Park and set our collectibles up for others to shop while we also look for that particular goodie to add to our own collection. *One big change. Salina no longer allows alcohol in the park.* Lunch will be provided around noon. After the show concludes around 2:30, we head back to the hotel to rest up for the evenings' famous margarita party at 8:00.

Then Sunday morning we gather once again for a final raffle which is always a good raffle and make our plans for the 2023 show.

The number for Candlewood Suites is 785-823-6939.

Additional hotel information is included later in this newsletter as well as a show flyer.

## KC's Best Facebook Page

Hopefully by now, most of you have signed into the Chapter's Facebook group *KC's Best Chapter*. It is awesome.

Chapter member Trey Rowe took an interest in getting this page up and running and had the knowledge and skills (and patience) to get it done.

Trey got the page set up and had it operational on April 27 and by mid-May, the group was up to 120 members.

As hobbyists joined the group, they also posted pictures of some of their prized breweriana treasures which were St Joseph/Kansas City focused. You will find some of these pictures scattered throughout this newsletter. Plus, research guru and former BCCA president Keith Kerschner posted several different copies of newspaper articles related to the Kansas Kollosal Kan Kaper shows going all the way back to 1982.

To check out the chapter Facebook group, type in *KC's Best Chapter* in the search Facebook box. You will enjoy it.

Many thanks to Trey for getting this set up.

## New Show held in Hays, KS

April 2<sup>nd</sup> was the kickoff for a new show in Kansas. The show was called the 1<sup>st</sup> Annual Old West Breweriana Roundup, and was held at the VFW Hall in Hays, KS; and the facility was packed for the action. There were about sixty-four tables filling the main room, and every table was used.

Some longtime collectors were there, and it was fun to see some of the Colorado crowd that used to come down for the Abilene shows. Among the travelers were T.A. Hall and Mark Rollert, that I don't believe had been down to a Kansas show for over twenty years. Big Jim McCoy and Bill Frederick from the Denver area were there also. Many attendees arrived the night before the show as there was a big gathering at the Days Inn hotel, where the breakfast area became the hospitality room. Plenty of Coors and craft beers were on hand, along with some tasty snacks.

On Saturday, the show activity kept up a fast pace all day, and several raffles were held. The show was well advertised around the Hays area, and the walk-in crowd proved the collecting hobby is recovering from the Covid slowdowns. A big salute to the Carrie Nation Chapter members, and especially the members in Hays that brought this "why not?" into a "well done!".

## The Personal Side of the Chapter

When we do a Chapter newsletter, we try to keep everyone informed of events that pertain to this hobby we're in, but also try to let our members know about the people in our group. Since I last did one of these Personal Side reports, we have lost two members of our extended "family".

Joan Sackett, who was the wife of member Dennis Sackett, and mother of member Matt Sackett, and mother-in-law of member Amy Sackett; passed away on January 19, 2022 at the age of 88. The marriage of Dennis and Joan covered 67+ years.

Alan Risse, BCCA #4750, from Theodosia, MO; passed away on December 12, 2021; at the age of 66. He was a long-time member of the KC's Best Chapter. Alan attended some of our Chapter shows, especially those at the Lake of the Ozarks. We would see him at most of the St. Louis Chapter shows.

*Bill Boyles*

**Boulevard Brewing** has gotten the mood for summer in place with the introduction of these two beers. Both are great beverages for hot, humid Summertime days. The *Southwest Blvd.* is a lager brewed with salt and lime and *Zon* is a Belgian Style Witbier.

# Missouri Ozarks Show

Sign directing collectors to the entrance at Billiards

Action on the trade floor above and below

The Missouri Ozarks Chapter held their spring show on April 2<sup>nd</sup> in Springfield, MO. After a two-year hiatus from Billiard's of Springfield, the show made its return to Billiard's, which is under new ownership.

The following show summary is by Michele Fritz and the photos at left were provided by Rick Kottemann

*We had a most extraordinary show at Billiard's last Saturday, the best ever in attendance, both members & walk-ins. Billiards' staff & Richard Lance, the new owner, went well beyond what we needed to make a successful event. Hopefully, you can join us at our next show Saturday, October 1, 2022 from 9 a.m. to 3 p.m. at Billiards in Springfield, MO.*

*Since the well renovated room at Billiards is so popular with other events, the chapter members voted to reserve the room for our 2023 shows, Saturday, April 1, 2023 & Saturday, October 7, 2023 from 9 a.m. to 3 p.m.*

*Some highlights of the show were a record \$\$\$ in raffle tickets, 3 new chapter members & a record number of walk-ins. We raffled off some wonderful prizes, including lighted signs. Our can dump was fun, too. All these things will be featured in the Missouri Ozarks Chapter June newsletter.*

Shown here is a Celebrated Pilsener Beer from the Geo. & John Muehlebach Brewery which was posted on the KC Best Facebook page by Don Powell on May 1<sup>st</sup>.

## Firsty Wednesday at Boulevard (Note the Time)

Our next monthly First Wednesday at Boulevard is planned for July 6 from 4:00 to 6:00. As always, the gathering will be in the tap room (second floor) of the Tours and Rec building which is next to the brewery.

Make plans now to be there and don't forget, first beer is on the house.

## Belleville Show Was Again a Super Mega Event

*Huge trade floor filled end to end with collectibles*

*Even a couple of Kansas Jayhawk banners found their way to Illinois*

*BCCA and NABA were both represented at the show*

< Usually, several collectors from KC make the Belleville show but conflicting shows reduced the number to just a hand full this Spring. The pictures shown on the left were posted on Facebook by BCCA President Don Hardy. Evidently, all 3 shows in our region scheduled for April 2 turned out great.

These two 12-ounce cans are from **Three Halves Brewing** in Liberty. On the left is Lotus which is a Hazy IPA. The purple on the can is way more purple than the picture shows. Hazeadelic Rocket (right) is also a Hazy IPA.

\*\*\*\*\*

**Torn Label Brewing** continues to introduce a large volume of new styles and variations. Shown above, in 12 oz cans, are a couple of their many recent introductions: *Torn Label Gold* is a Rice Lager and *Shepard's Check* is a Dry Stout.

**Three Trails**  
**Brewing in**  
 Independence released  
*The Landlord* in 12-  
 ounce cans. It is  
 described as a Hazy Red  
 IPA.

## Report on Beer Can and Breweriana Shows in the Midwest

Cheryl and I attended the Cornhusker Chapter's show in Omaha, NE, on the weekend of March 19-20. The weekend events started at the Comfort Inn Hotel near 72<sup>nd</sup> Street and I-80 with the opening up of the trade floor to allow dealers to set up their tables in advance of the Sunday show.

It's been a few years since I have been to a Cornhusker show, and it was good to see so many collector friends. The trade area was spread over two rooms, and every table appeared occupied. I like the feature of being able to set up the day before the show, it gives me time to scan over what's available, and gives time to visit with friends.

As closing time for the room approached, we headed over to Bill and Laurie Baburek's house to see their fabulous collection. Bill has an awesome display of Nebraska breweriana, along with many other brewery items; it is a visit you should never pass up.

Many of the visitors were getting ready to go on a bus tour of dive bars, so we headed down to Bill's Crescent Moon bar for dinner. Food was great, and the place was packed.

Finally it was time to head back to the hotel to see who was at the Chapter hospitality room. As you can imagine there was plenty of craft and national beers to drink.

The next morning, we headed down to the trade floor, and it was already getting crowded. I believe there were about 60 tables set up. The action was heavy, and I sold a good amount of cans and breweriana. The Chapter also had a couple raffles with good items to win.

It was an enjoyable weekend, as usual in Omaha, and now we are looking forward to their next show on October 9<sup>th</sup>, 2022; at the Comfort Inn Hotel.

## Main & Mill Brewing Company

*Facebook post April 19, 2022*

Releasing next week...we are thrilled to announce a project we are extremely proud to be a part of. In collaboration with the Negro League Baseball Museum, world-renowned artist @GraigKreindler, and [negroleagueshistory.com](http://negroleagueshistory.com), the Negro Leagues Celebration Series is an ongoing bi-yearly series focused on the history of the league and its' players. We are proud to be donating 20% of every can sold in support of the players' families and the Negro Leagues Museum.

This first release celebrates Satchel Paige, and the 50th Anniversary of his Hall of Fame election. It includes four classic Kreindler paintings of Paige from his time on four different teams from the 20s to the 40s. As for the beer inside the cans, with the focus being entirely on the Leagues and its' players, we went toward a style that was the predominant beer of the time period. Our American-style Pilsner is made with domestic 2-row barley, a hint of flaked corn, and hopped with domestically grown Contessa to give a light floral aroma and a unique spin on a classic style consumed at every ballpark in the US.

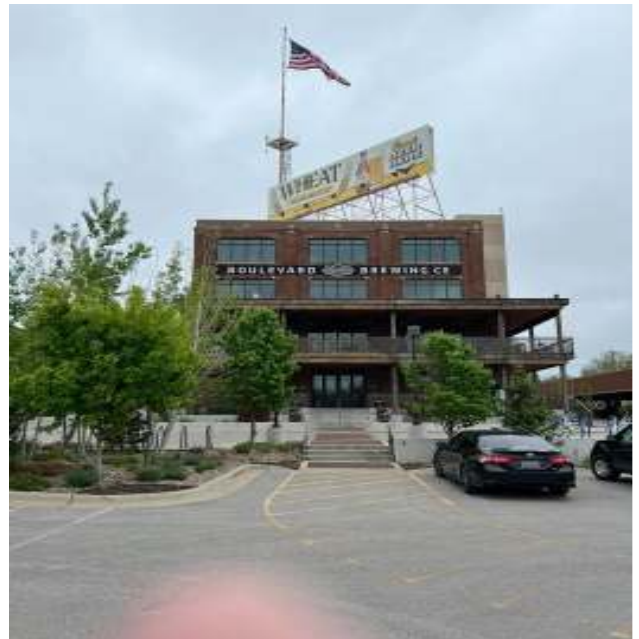

*Two of the four Satchel Paige cans are shown above. The cans are 16 oz. The can on the left is Satchel in his Birmingham Black Barons uniform and (right) is in his Cleveland Cubs uniform*
